Summary

Pastry chef by profession who changed course to continue in the programming area. At this moment I am studying the FullStack developer career at the CoderHouse academy, managing HTML, CSS (SASS) and programming languages such as: Javascript and ReactJS. Right now I'm taking the BackEnd course learning Express JS, SQL, NodeJS, MongoDB, course that ends in October,

I am a person who loves to learn, I am responsible, self-taught and knows how to work as team.

I'm bilingual, Spanish/English (IETLS 5.5) and currently learning Japanese.
